WORK EXPERIENCE

Wunderman Thompson (VML) - Front end developer

March 2021 - June 2025

- **Designed and styled** Drupal components and layouts, ensuring alignment with usability and performance standards.
- **Conducted user experience** quality assurance testing, identifying and addressing issues to enhance site usability and performance.
- **Integrated and configured** content editing features within Drupal to streamline content management and improve user experience.
- **Developed and managed** layouts tailored to meet customer business needs, ensuring compliance with accessibility and usability requirements.
- **Applied coding best practices** and Drupal-specific standards to establish and maintain site layout and user interface consistency.
- **Managed end-to-end** newsletter production, encompassing content gathering, Salesforce data entry, and CMS publication, ensuring timely delivery and consistent communication.
- **Proactively assumed ownership** of newsletter workflow, streamlining processes and improving efficiency to support team lead and maintain consistent output.
- **Collaborated with stakeholders** to gather and curate content, ensuring alignment with communication objectives and contributing to the overall success of the newsletter.

Wunderman Thompson (VML) - Webmaster (Drupal)

May 2018 – Feb 2021

- **Collaborated with team members** to achieve project goals, including content integration and site enhancements, ensuring alignment with client needs and project deadlines.
- **Acquired and applied** new skills in Drupal and front-end development, enhancing efficiency and productivity in daily tasks.
- **Exceeded performance goals** by effectively prioritizing tasks and maintaining a strong work ethic, contributing to project success and client satisfaction.
- **Identified, analyzed, and resolved** issues related to content integration and site functionality, providing effective solutions for smooth site operations.
- **Successfully managed** tight deadlines and operated efficiently in a fast-paced environment, demonstrating adaptability and commitment to project timelines.
- **Created detailed documentation** and training materials for clients and colleagues, offering clear guidance on content management and site features to support their ongoing use of Drupal.
